

You must submit the *ECFMG Medical Education Credentials Submission Form* (Form 344) when you send your medical education credentials to ECFMG.

The *ECFMG Medical Education Credentials Submission Form* (Form 344) serves as a “checklist” to assist you in providing the correct medical education credentials to ECFMG. Providing the correct medical education credentials to ECFMG will reduce the possibility that your application for examination will be rejected (if you are applying for an examination) and expedite the medical education credential verification process.

INSTRUCTIONS

Complete the *ECFMG Medical Education Credentials Submission Form* (Form 344), printing your name and USMLE®/ECFMG Identification Number in the spaces provided. For the “Checklist,” you should check the documents you are submitting.

If you are submitting a photograph, write your full name and USMLE/ECFMG Identification Number on the back of the photograph. Write your USMLE/ECFMG Identification Number on the front of all documents.

If you are a medical school student applying to ECFMG for an examination and you do not have a valid *Certification of Identification Form* (Form 186) on file with ECFMG or if you are required to submit a *Certification Statement* (Form 183), the completed *ECFMG Medical Education Credentials Submission Form* (Form 344), medical education credentials, and any other required documents must be accompanied by an *IWA Document Submission Form* (Form 187) and must be sent with your *Certification of Identification Form* or *Certification Statement*. These forms and documents must be sent to ECFMG in one envelope. This envelope **must** be sent to ECFMG directly from the office of the medical school official who certified your *Certification of Identification Form* or *Certification Statement*.

If you are a medical school graduate applying to ECFMG for an examination and you do not have a valid *Certification of Identification Form* (Form 186) on file with ECFMG, the completed *ECFMG Medical Education Credentials Submission Form* (Form 344), two copies of the *Medical School Release Request* (Form 345), medical education credentials, photograph, and any other required documents must be accompanied by an *IWA Document Submission Form* (Form 187) and must be sent with your *Certification of Identification Form*. These forms and documents must be sent to ECFMG in one envelope. If your *Certification of Identification Form* is signed by an authorized official of your medical school, this envelope **must** be sent to ECFMG directly from the office of that official. If your *Certification of Identification Form* is certified **only** by a Consular Official, Notary Public, First Class Magistrate, or Commissioner of Oaths, this envelope can be sent to ECFMG by you.

If you are a student or graduate applying to ECFMG for an examination and you have a valid *Certification of Identification Form* on file with ECFMG, the forms and

documents outlined above must be sent to ECFMG in one envelope. This envelope can be sent to ECFMG by you.

If you are not currently applying for an examination, you may submit your medical education credentials and associated forms and documents, but you should not include an *IWA Document Submission Form* (Form 187).

These forms and documents must be sent to:

ECFMG
3624 Market Street, 4th Floor
Philadelphia, PA 19104-2685
USA

The *ECFMG Medical Education Credentials Submission Form* (Form 344), *Medical School Release Request* (Form 345), and *IWA Document Submission Form* (Form 187) are available in the Resources section of the ECFMG website at www.ecfm.org.

Check all of the documents you are currently submitting to ECFMG. Print your USMLE/ECFMG Identification Number on the front of all documents. Print your full name and USMLE/ECFMG Identification Number on the back of your photograph. To submit these documents and forms to ECFMG, follow the instructions on Form 344-I.

Graduates

Attach two photocopies of your final medical diploma and a current, full-face, passport-sized, color photograph of yourself. If your medical diploma is not in English, include an official English translation of the medical diploma. This English translation must meet the ECFMG translation requirements as detailed in the applicable edition of the ECFMG *Information Booklet*. You must also complete and attach both copies of the *Medical School Release Request* (Form 345).

Students and Graduates

Attach, if required, two photocopies of a transcript to document credits you transferred to the medical school that awarded or will award your medical degree, as detailed in the applicable edition of the ECFMG *Information Booklet*. If the transcript is not in English, include an official English translation of the transcript. This English translation must meet the ECFMG translation requirements as detailed in the applicable edition of the ECFMG *Information Booklet*.
