Re: **Dean' s letter** for ISIM SOYISIM

This Dean's Letter of Evaluation is provided at the request of Isim Soyisim, who is applying to your program in US for postgraduate training. He graduated as a **Doctor of Medicine** from **Ege University School of Medicine** in **TARİH** with the graduation number of **NUMARA**.

Premedical Education:

ÖZET

Medical Education:

İLK ÜÇ SENE ÖZET

Clinical Clerkships, 4th and 5th years:

According to the Dean' s Office Records, ISIM SOYISIM, successfully completed the following clerkships during his fourth and fifth years of training at Ege University : *Internal Medicine & Social Medicine (12 weeks) , Pediatrics & Pediatric Surgery (12 weeks), and Obstetrics and Gynaecology (6 weeks), Neurology & Neurosurgery (4 weeks), Psychiatry (4 weeks), Cardiology & Cardiothoracic Surgery (4 weeks), General Surgery (4 weeks) , Otolaryngology (4 weeks), Pulmonary Medicine (3 weeks), Anesthesiology (3 weeks), Infectious Diseases (3 weeks) , Dermatology (3 weeks), Orthopaedics and Traumatology (2 weeks), Forensic Medicine (2 weeks), Physical Therapy and Rehabilitation (2 weeks), Radiology (2 weeks), Ophthalmology (1 week), Urology (1 week), Plastic and Reconstructive Surgery (1 week).*

Internship, 6th year:

The sixth and final year is called "*internship year*". In this year of training, medical students rotate through the clinical core disciplines of medicine and surgery where they are expected to participate hands-on patient care at all levels and expected to be able to handle the most common challenges of a general practitioner (GP) upon graduation. This year includes 4 to 8 week core rotations in *Internal Medicine, General Surgery, Pediatrics, Obstetrics & Gynaecology, Psychiatry, Emergency Medicine, Public Health & Preventive Medicine, and Forensic Medicine*. This year also allows students to spend an elective module of their interest. Dean's Office records show that ISIM SOYISIM successfully completed all of his internship rotations with excellent.

OFFICE OF THE DEAN
İZMİR - TURKEY

Dean's Office records show that clinical clerkship directors found ISIM SOYISIM to be a bright, focused, organized and mature team player who was very empathetic and well able to establish rapport with patients. Furthermore, ISIMS SOYISIM received high praise and few strong letters of support from faculty members while completing his clinical training:

"... HOCALARIN YAZDIKLARINDAN YA DA MEKTUPLARINDAN ALINTILAR"

Extracurricular:

OKUL SIRASINDA UĞRAŞILAN DERS DIŞI AKTİVİTELER
KULÜPLER, KOMİTELER, MÜFREDAT DIŞI YAPILANM HERŞEY .

Summary:

ISIM SOYISIM has done very well throughout medical school...
